

Insup Lee

islee94@korea.ac.kr | [CV](#) | [LinkedIn](#) | [Google Scholar](#) | [ORCiD](#)

Research Interests

- **AI for Cybersecurity:** threat intelligence using NLP/LLM, HW security (side-channel analysis), adversarial ML
- **Network and Wireless Security:** drones, robust communications, network IDS, anomaly detection
- **Generative Models:** diffusion transformers and GANs for data augmentation, LLM for vulnerability detection

Education

Korea University , Seoul, Republic of Korea Ph.D. Candidate in Cybersecurity	Sep 2019 – Present
• Advisors: Prof. Sangjin Lee and Prof. Seokhie Hong	
Korea University , Seoul, Republic of Korea B.E. in Cyber Defense	Mar 2014 – Feb 2018

Employment History

Korea University , Seoul, Republic of Korea Lecturer	Sep 2025 – Present
Indiana University Bloomington , Indiana, USA Research Intern	Mar 2025 – Jun 2025
Ministry of National Defense , Republic of Korea Security Engineer	Aug 2023 – May 2025
• Led AI-based security projects and taught cybersecurity courses in the UAE (UAE ambassador's commendation)	
Agency for Defense Development (ADD) , Seoul, Republic of Korea Security Researcher	Jul 2018 – Jul 2023
• Conducted AI-based security research and in-house software development (Advisor: Prof. Changhee Choi)
